UK Coldstream Research Campus  
Human Development Institute Training Room  
1525 Bull Lea Road, Lexington KY 40511

Please join us in person or online via videoconference. A link to the live video stream of the seminar will be sent to registrants.

There is no charge to register for the seminar. Space is limited so please be sure to register.

### Presenter

**Lori Gresham is the Clinical Program Manager Senior for the Department of Medicaid Services. Ms. Gresham has an extensive knowledge of all the Medicaid Waivers, from waiver applications to regulations to the inner day-to-day processes.**

More than 1 in 3 adults under age 65 enrolled in Medicaid have a disability. Medicaid provides essential medical care and supportive services that help many persons with disabilities remain in their homes and communities. The Department of Medicaid Services (DMS) will provide a basic overview of Kentucky's six 1915 (c) Medicaid waivers and the services they provide for people with disabilities. We will discuss the process for applying for waivers. Lastly, we will discuss upcoming waiver redesign and provide avenues to provide feedback to guide the process.

### Learning Objectives:

1. Participants will learn a basic overview of Medicaid waivers and the services provided.
2. Participants will become familiar with how to apply for Medicaid waivers.
3. Participants will be able to discuss upcoming waiver redesign and avenues for providing feedback.

**CEU's are approved in Rehabilitation Counseling in conjunction with the Kentucky Office of Vocational Rehabilitation.**

**Registration:** Electronic registration will open **October 12, 2017**. Visit [HDI Seminar Registration](#) to register for the seminar. For help registering, contact [walt.bower@uky.edu](mailto:walt.bower@uky.edu)
